#### 14.00 - WELCOME

Country calls & Anthems: please look at the attendance list to see who was there and who appointed a proxy. Introduction Speech with Ben & Hanna.

#### 14.25 - FINANCE

Introducing **Zoho** and invoices.

Question about the deficit from last year due to lack of information about sold merchandising.

[Laura] In France we have 2 accounts and no stock.

[Sebastian] In Germany we outsource the merchandising to Spreadshirt.

[Bernadeta] In Lithuania we collaborate for special merchandising so we can be able to sell it during events but also in between.

Introducing **Transferwise** with ability to transfer money by credit card and have a total record.

[Maurits] Why not using the same website that we use for booking tool, to avoid cash.

[Vedran] It should be easy and possible. I will check if we need a modification or not.

[Laura] We need a license to sell online.

[Janko] MTO means no inventory.

About what was spent for the **trip to Luxembourg** and what should be reimbursed in the future.

[Maurits] Why ERIC needs money? Why not clubs and districts? We need to open a discussion on that.

[Fatima] Are we voting for the updated budget?

[Ben] Yes.

[Fatima] And what about Ben and Hanna going to Luxembourg before.

[Ben] No money spent on that.

#### 14.55 – LEGAL ENTITY

About the fact that we are already a legal entity.

Founded in 2004 and forgotten the year after. Now active again.

[Ania] Documentation in French, and Name and Bylaws to change: the costs?

[Ben] Only 1 document and not important. Basics are ok but we need to change them indeed. Our current name is Rotaract Europe AISBL and we suggest to create a Code of Policies and separate from the Bylaws to avoid misunderstandings.

[Itzy] Change something costs 15€ and it could be done in 3 days online. We don't need to publish it.

[Gabi] In Luxembourg for our organization, there is no audit needed, no balance sheet needed. But it is not sustainable to change Bylaws every time.

[Tiina] The audit should be done by one of us.

[Mavi] And check both finance and bylaws.

[Laura] Is there a problem if someone from a non-EU country is a director?

[Ben] No mention about that on.

About **European Solidarity Corps**: meeting scheduled with European Commission. Quality label available under the name of ERIC (for districts and clubs). Apply for grants and sponsorships. Task force needed.

#### 15.15 – CODE OF CONDUCT

[Laura] We need to find the right name.

[Hanna] Yes and create a task force to make something on Belgrade.

[Mavi] We can include it to the Terms and Conditions when you buy a package.

#### 15.20 - SOCIAL

About End Plastic Now: Doppers are now available!

About Awards: A form will be ready for February (applications).

[Kate] A task force will be created. The evaluation needs to be fast so it will be asked to the applicants something short and precise.

[Tiina] The evaluation process will be outside of the board.

[Gabi] Is it possible to have a webinar on how to pitch a project and fill in the form?

[Tanja] Can it be posted on EUCO website?

[Vedran] We can put a link to ours.

[Laura] Criteria will be online?

[Tiina] With the form.

[Kate] And we can attribute a % for each criteria.

[Mafalda] We wait for an official email and the rules to follow.

[Tiina] Yes.

Someone from the Netherlands added that they are planning a beach cleaning soon.

#### 15.30 - IT

About the **booking tool**: already ok but still improving for payments online and credit card.

About the **voting tool**: almost done.

#### **15.35 – MARKETING**

About the **newsletter**: real interest?

[Mavi] Check what your countries send.

[Kate] The newsletter is good to be inspired. Maybe only one every 3 months.

[Vedran] Sometimes it is only two sentences and one photo.

[Burak] So should we take the form and modify?

[Vedran] Yes. This is part of your CR job.

[Mavi] The ones who have many members can ask for help.

[Samuel] With wordpress it is easy to see a preview and then make it public.

[Gabi] Do we know how many open the newsletter? The engagement?

About the **merchandising**: sales are beginning now.
